

Job Description – Product Engineer

Reports to: Engineering Manager

Location: Cooperstown, ND

Overview:

Be a part of a team transforming product designs and production processes.

Sheyenne Tooling & Manufacturing designs and manufactures a diverse range of Agricultural & Construction supporting products. We have an opening for a Product Engineer interested in developing world class attachments for North American distribution. As a Product Engineer, responsibilities would include understanding customer requirements, design for manufacture and assembly, and sustaining engineering of set product family.

We are offering these opportunities to highly motivated applicants interested in working on next generation products and processes.

Build a career with Sheyenne Tooling & Mfg by working directly with business leadership and executing plans providing tangible and visual results.

General Duties:

1. Lead in preparation of product and/or process definitions and specifications.
2. Design, implement and test new products and/or processes to align with business transformation initiatives.
3. Document designs and/or processes for support and efficient development of successive initiatives.
4. Interface effectively with cross functional team members to ensure success.

Position Requirements:

1. Experience in a manufacturing environment
2. Microsoft Office knowledge required. Advanced Excel skillset preferred
3. Analytical and strategic thinking
4. Excellent communication and collaboration skills
5. Grasps technology to enable productive processes
6. Bachelor's degree in Engineering field
7. Communication and Collaboration skills

Preferred Skills/Background:

1. Knowledge of AutoCAD & Inventor engineering software
2. Hands on experience in farm work, mechanical work or similar area

Benefits of joining the Sheyenne Tooling & Mfg Team:

1. Competitive Pay
2. Collaborate with all levels of the organization
3. Work directly on and lead the businesses most important projects
4. Family environment focused on teamwork and synergizing individual growth with business growth

Sheyenne Tooling & Mfg is an Equal Opportunity Employer. Sheyenne Tooling & Mfg does not discriminate on the basis of race, religion, color, sex, gender identity, sexual orientation, age, non-disqualifying physical or mental disability, national origin, veteran status or any other basis covered by appropriate law. All employment is decided on the basis of qualifications, merit, and business need.
